Why UHY?

UHY is a cohesive worldwide association of member firms providing accounting, tax and consultancy services across the globe.

We work in collaboration with our clients to ensure they achieve their objectives. Our services are tailored to suit the culture of each client including publicly listed corporations, large and medium-sized companies, privately owned businesses, not-for-profit and public organisations.

Our member firms offer specialist sector and country knowledge to the same high quality professional standards in all major international business centres. We share our clients' aspirations and deliver customised, timely advice to help you make the right business decisions.

Globally, UHY has the depth and breadth to help your business compete effectively and successfully internationally or cross-border. Our drive for professionalism, quality, integrity and innovation combined with global reach have realised substantial growth in our 20-year history for both clients and member firms.

UHY offers an exceptional competitive advantage – national capabilities enhanced by global resources and attentive personal service. Our people pride themselves on their ability to combine local knowledge with regional, national and international skills sets.

UHY resources

UHY provides a range of complimentary international materials featuring current business issues.

The following can be downloaded from www.uhy.com

UHY International Business: newsletter for clients discussing current international business issues.

UHY Global Transfer Pricing Guide: International guide to transfer pricing in countries around the globe.

UHY International Real Estate: Guide to real estate financial data around the world.

UHY Doing Business: Country reports to assist the establishment of international businesses.

UHY Global Directory: Address book of UHY firms throughout the world.

UHY Capability Statement: case studies of UHY clients illustrating how we work together internationally, and the depth and breadth of the UHY network across sectors, specialisms and geographical regions.
